WIRELINE COMPETITION BUREAU EXTENDS ACCESS TO THE SECURE DATA ENCLAVE FOR COMMENTERS IN THE BUSINESS DATA SERVICES PROCEEDINGS

WC Docket Nos. 17-144, 16-143, 05-25; RM-10593

By this Public Notice, the Wireline Competition Bureau (Bureau) announces that access to the secure data enclave containing highly confidential data filed in the price cap business data services (BDS) proceedings will be extended from March 1, 2019, until **March 22, 2019**, unless an interested party demonstrates the need for continuing access beyond that date.

In the *Second Further Notice and Further Notice*, the Commission directed the Bureau to make available to interested parties the highly confidential data filed in response to the Commission's special access data collection that is part of the record in the price cap BDS proceedings.¹ Thereafter, the Bureau announced that the secure data enclave hosted by NORC at the University of Chicago would reopen on December 5, 2018, and close on March 1, 2019.²

In light of the recent lapse in appropriations, the Commission released a public notice on January 29, 2019, that effectively extended the comment filing deadline in these proceedings from January 14, 2019, to February 8, 2019, and the reply comment filing deadline from February 12, 2019, to March 11, 2019, to afford parties a full opportunity to comment.³

To accommodate the new deadline for reply comments, we now extend access to the secure data enclave until **March 22, 2019**, unless an interested party demonstrates that "continued access to the data is necessary to their meaningful participation in the proceeding."⁴ Parties that were not previously
